

MS. G'S MUSIC ROOM SUPPLY LIST

Dear Students and Families,

I can't wait to begin the school year and see all of your beautiful, musical spirits again. Last year we had some great fun, but with your help and some extra supplies, we can do even more interesting projects and make even more music. So this year I have compiled a list of needs for each grade level. If you purchase everything on your grade's list, you should only spend about \$4. Please consider donating to the Music Room the same way you donate to your classroom. Thank you so very much, and see you soon!

Sincerely,
Ms. Germain
