

SPACE COAST CHRISTIAN ATHLETIC ASSOCIATION

The Space Coast Christian Sports League was founded in 2000 based on the principles that likeminded schools desired a positive, competitive environment for their students to play sports. The league has grown over the years to include private, parochial, public, and non-denominational schools which share the same virtues and values. All schools agree that the original Christian foundations continue to provide the framework which we all find desirable. As members of the league we all agree:

General League Rules

1. All players, coaches, parents, and fans will present themselves in a positive, courteous manner.
2. Disrespect to coaches, players, referees, or fans, is not acceptable.
3. Coaches are expected to set a good example for players, participants, and fans to follow.
4. Never argue or challenge the referees.
5. Profanity is totally unacceptable.
6. Respect the rules of the host school.
7. Consult your Administrator on Duty at the school hosting the event if you find a situation unacceptable.
8. The Administrator on Duty at the hosting school has complete authority and may exit anyone who is violating the rules of the league.

Safety Rules

1. Each school will have an administrator or designated supervisor from their school present at each athletic activity.
2. Elementary aged children and children below elementary age are required to be directly supervised by either their parents or a designated adult. This does not include teenage siblings or friends.
